

**New &
Improved**

padded zipper ^{2.0}

central vacuum hose cover

Non Slip-Grip

Both ends are made from a tubular knitted material that along supplied twist-tail ties fit snug and secure the cover to the hose.

Hidden Zipper Design

Hidden zipper ends provide a complete finish look as well preventing scratches occurring from exposed zippers

Easy Installation

Easy stretch tubular knitted material and easy slide zipper make installation a breeze

**Protects walls, furniture
and mouldings**

**Prevents scratches, dents
and chips**

**Fits all makes and models
(available in 30' & 35' lengths)**
